

EL DORADO HILLS
COMMUNITY SERVICES DISTRICT

Parks Department
Eagle Scout Volunteer Form

El Dorado Hills Community Services District (EDHCSD) enjoys working with the multiple organizations to accommodate the Community's Volunteer needs and strives to maintain a high standard of support. The EDHCSD has implemented some basic procedures to provide better Customer Service and facilitation of Volunteer requests. Volunteers do not replace District staff; rather Volunteers should complement and supplement District staff efforts and because of this there are limitations of staffing resources. Due to the volume of new requests coming in, your project may not be assigned right away. If your project is not assigned, we ask that you re-submit your request in 90 days. You will be notified if your project is or is not scheduled.
